## PASTORATE

At the Search Team meeting last Monday we reviewed the current situation. Although there was not unanimity amongst the group, it was felt that we should continue our discussions with Matthew Scott.

Matthew has been asked to come and lead worship and Communion in our morning service on Sunday, 21st March. During the afternoon, from 3.00-4.00p.m., he has been asked to share with the membership his vision for the church, having seen us 'at work' and met with a number of people; there will then follow a question and answer session. We would follow this with tea to allow as many as possible the opportunity meet Matthew in a less formal setting.

On the Wednesday following (24th March), a Special Church Meeting will be held for further discussion and prayer prior to taking any decisions.

Carol Edwards.

## TOTALLY WIRED

**Tuesday, 16th March, 7.30-9.30p.m. at Windsor Baptist Church**

An essential seminar, presented by Christ Curtis, Director of Luton Churches Education Trust and organised by East to West, for all parents, church leaders, youth leaders and anyone who cares about young people and the technology revolution.

In a new digital world that is changing what it means to be a teenager in Britain today, how can parents, churches and youth workers not only understand what is happening, but also change the way we work with young people to take account of it? This high-quality, interactive, enjoyable and challenging evening event aims to explore some key questions.

Cost: £5 (£3 concessions).
