- ◆ For the families attending Messy Church this morning and for the leaders.
- ◆ For Sarah who is undergoing hip surgery on Wednesday.
- ◆ For the safety of those fighting wildfires both at home and in other countries.
- ◆ For communities in South East Bangladesh after flooding destroyed thousands of homes and affected millions of households. Pray that waters recede and BMS-supported relief reaches those most in need.

Volunteers Wanted

KerryMarie has a big birthday at the end of this month (40th) and would like to celebrate with her church family on **Saturday August 1st from 12 noon to 4.00pm (please note corrected time)**. This will be held in the church building and will probably be a couple to hymns and a chance to share memories of KerryMarie from her earlier years growing up in DGBC followed by a buffet and, of course, cake!

I would really appreciate help with this and if you can provide salad or other finger foods for the buffet please let me know or sign the sheet in the vestibule.

Nearer the time we will also need volunteers to set up and man the kitchen.

Many Thanks

Jenny Soles

In *The Vision of Ephesians* Tom Wright takes you on an exciting journey through one of the most profound texts in the New Testament.

In just a few powerful pages, *Ephesians* presents a sweeping panorama of the Christian gospel, tracing God's redemptive plan from the creation of the world to the time when God will be 'all in all'. At its core, the book highlights the transformative work of Jesus the Messiah and the empowering presence of the Holy Spirit.

Wright masterfully unpacks Paul's vision of the church - what it is, what it is for, and what it means to be part of the new humanity that God is creating in Jesus. This breath-taking vision of God's purpose

for humanity comes into sharper focus when we remember that Paul was writing from prison, urging his readers to engage in spiritual warfare, standing firm in the victory won on the cross as that victory unfolds across the world.

The Vision of Ephesians is a must-read for anyone seeking to grasp the depth and beauty of one of the New Testament's most captivating letters.

Church Electricity

We have been notified by British Gas that, as from 1st August, our electricity bills will increase by approx. £7.00 per month. However, this depends on how much electricity we use so could therefore be more. These charges are being imposed by the government not British Gas.

Could we please ask everyone to make sure that electrical equipment is switched off after use unless otherwise indicated and, in the case of the water heater, switched off according to the instructions. Thank you.
