I learned that accepting others and accepting myself
are two sides of the same coin; you can't love and
accept yourself without doing the same for others.

PLEASE PRAY ...

- ◆ For the non-Church groups which meet on our premises, that they may feel God's presence here.
- ◆ For the various events being held at local churches on Saturday (Halloween) that each person that takes part might be affected by Christ's light and love.
- ◆ Churches in North Africa face much persecution. Pray that the Holy Spirit will turn the persecutors into promoters of the gospel, and for wisdom and safety for the Church.

Church Thank-offering

Today is the last Sunday of our annual Church Thankoffering but late donations will always be welcomed.

Normally, we hold a Church Thankoffering month in October to help boost our funds for our general running costs. This year, however, we are in the rare position of having a good balance in our General Fund.

Following some unexpected and expensive maintenance work on our building recently, the Church Members' Meeting in September agreed that this year our Church Thankoffering should go to building up our Building Funding. This will help us to meet the expense of any future unexpected expensive maintenance work.

Please therefore, prayerfully consider what one-off gifts you might be able to make, using one of the methods listed below:

- A one-off payment via online banking or our website. Please use Reference: CTO. If you are a Gift Aider, please give your contact details on the website so that we can claim the Gift Aid.
- Cheques (Payable to Dedworth Green Baptist Church) or cash placed in an envelope (some are available in the foyer) and either placed in the offering basket on Sunday mornings or posted through the church letterbox. Please mark the envelope CTO.
